"Janet is a class singer.

Her voice

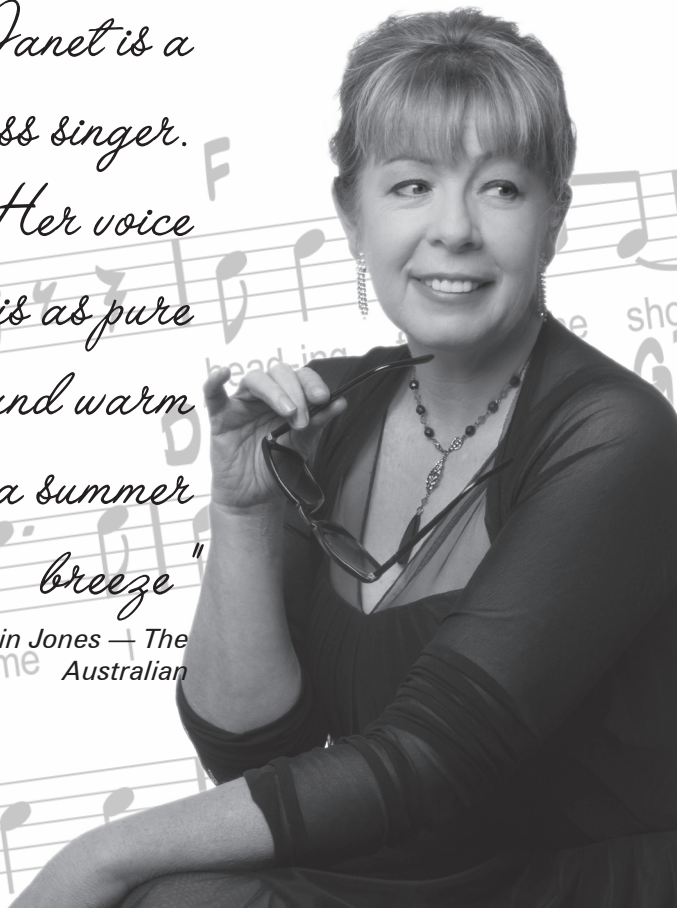

is as pure

and warm

as a summer

breeze"

Kevin Jones — *The Australian*

Both concerts will feature Janet Seidel, Chuck Morgan and David Seidel, plus special guests. Based in Sydney, Australia, vocalist and pianist Janet Seidel currently enjoys a rare and enviable international reputation with fourteen CDs released in Australia and overseas.

In the Penguin Guide to Jazz on CD 2006 (UK) Janet is described as "Australia's first lady of jazz". Janet is revered by cabaret aficionados overseas such as in New York's Cabaret Hotline - "I had heard so much about this delightful jazz star from Australia, but I was still not prepared for this awesome performance. I have never been so thrilled by a performer - this lady is amazing - such pure clean vocals!" according to the writer.
